

QHSE POLICY ISO 9001:2008 ISO 14001:2004 OHSAS 18001:2007

LOC8 strives to conduct its business with a total commitment to our customers. We define quality as conformance to our customers' needs, and all quality requirements.

We will achieve this by;

- 1. Maintaining a Quality Management System to meet requirements of the ISO 9001:2008 standard.**
- 2. Ensuring that our Policy and Procedure Manuals reflect what we actually do.**
- 3. Continuous Improvement of our processes, and systems.**
- 4. Communicating our Quality Policy regularly to our employees, and having it reviewed by the Management Team for its continuing suitability.**
- 5. Consistently meeting or exceeding our customers' expectations for product quality and performance.**
- 6. Setting Quality objectives and targets to drive improvement.**

LOC8 will ensure that the health and safety of its employees, customers and public is protected. All activities within its domain shall be carried out safely, and environment performance shall meet legislative requirements.

To implement our HSE Policy LOC8 will;

- 1. Comply with all UAE environmental and health & safety laws and any others HSE requirements to which we subscribe.**
- 2. Make sure every employee recognizes it as his/her responsibility to prevent harm to themselves and others, and the environment (pollution).**
- 3. Ensure that all activities within its domain, are carried out under the rules and procedures set by the Company's Health, Safety & Environment standards and procedures.**
- 4. Provide adequate Health, Safety & Environment training to all its employees.**
- 5. Integrate Risk Assessment in all its activities.**
- 6. Communicating our HSE Policy regularly to our employees, and having it reviewed by the Management Team for its continuing suitability.**
- 7. Is available to interested parties (public)**
- 8. Setting EOHS objectives and targets to drive improvement.**
